

BelGAS partners with Devtech Sales, Inc. for enhanced gas regulator coverage in Florida Market.

Newell, W.Va.—September 12, 2020 BelGAS, a Division of the Marsh Bellofram Company, is proud to announce the partnership with Devtech Sales, Inc. of Avon Park, Florida to represent the BelGAS line of gas regulators and safety devices for the entire state of Florida.

With more than 40 years of gas regulation experience, BelGAS continues to expand on its natural gas and utility market representation to bring quality gas regulator and safety products to the industry. Seeing the service level that Devtech brought to the market, caught the attention of Regional Sales manager, Sarah Keller. *“We recognized how Devtech’s over 43 years of serving the natural gas pipeline and utility industry is exactly what we needed in the Florida market”* said Keller, *“We look forward to working with John Paul and the team.”*

Devtech’s devoted industry professionals, led by one of Florida’s natural gas industry veterans Charles Devlin brings over 43 experience, focuses on natural gas, propane gas, power and industrial markets. Devtech provides a variety of engineered measurement and control products in industries such as gas meters, valves, odorizers, filters, instruments, flow correctors and computers, gauges, prefabricated meter & regulator sets & stations/skids, as well as automatic meter reading systems.

“Devtech is always willing to go above and beyond to meet the needs of our customers and are proud to become a member of the Belgas team. The Belgas product line is a great fit into our current portfolio, and we look forward to being able to meet all of our customer’s needs no matter the application with the addition of Belgas.” -- John Paul Heston, Sales Manager for Devtech Sales.
